Re: Egan v. Marsh & McLennan Companies, Inc. et al.,
07 Civ. 7134 (SAS)

Dear Judge Scheindlin:

We represent defendant Marsh & McLennan Companies, Inc. We write on behalf of both our client and plaintiff Roger Egan. The parties are currently engaged in good faith settlement negotiations and respectfully request a two week extension of the discovery schedule set forth in the Amended Scheduling Order of February 5, 2008, under which document discovery is scheduled to be concluded by March 31, 2008, in order to give the parties the opportunity to settle the matter. Given the fast-approaching document production deadline and the possibility that certain unresolved discovery disputes may require application to the Court before that time, both parties respectfully ask this Court to consider this joint application as soon as possible.

The parties are available to discuss this matter further if the Court has any questions. Thank you for your consideration.

Respectfully yours,

Robert N. Holtzman/R
